## 9. Documentary

The Technical Delegate just received today the information about a documentary that features Volleyball Canada filming in Edmonton this week.

In addition to the Volleyball Canada photographer, and local media, we have two crews filming at certain points during the tournament.

### Level Playing Field (Series)

Level Playing Field, hosted by Paralympian Greg Westlake, focuses on Para sports in Canada and the power of sports to positively impact people and communities. Here's a link to an episode so you can gain a better understanding of the series,

<https://youtu.be/mZ3Z1ltM-nY?t=1>

A videographer was on site today (May 10) gathering B roll footage during the Canada v USA (women) match.

### Sitting Volleyball Documentary

A crew also focuses on the Canadian women's team for a sitting volleyball documentary for AMI. They had a crew on site on May 9 and will be back on Friday or Saturday.

AMI-tv is the world's first television network to broadcast all programs with the open format described video for Canadians who are blind or partially sighted and is included as part of the basic digital cable package from most television providers across the country at no additional cost.

In addition to described video, all content on AMI-tv includes closed captioning for a more inclusive experience. AMI-tv is broadcast daily into more than 10 million homes from coast to coast.
